Questions

What happens next?

We'll send you an order confirmation email after you place your order. It includes order information and a link to view your order status. We'll also send you notification emails whenever an item ships or is ready to pick up.

When can I pick up my order?

We'll email you when your items can be picked up. In-stock items are typically ready within an hour. In some instances, you may be required to select a time window to pick up your order. This will ensure your order is ready shortly after you arrive. Simply check in with a specialist. If you're unable to come in during this time window, you can still pick up your order, but wait times may vary. Learn more about [pickup](#).

When will I get my items?

We grouped your items into shipments above, and your delivery date appears next to each shipment. You'll receive notification emails as your items leave our warehouse or become available for pickup at an Apple Store. Learn more about [Delivery & Pickup](#).
